

# SKEETE STUDIO COVID PLAN

A return to safe and fun in-person  
music learning for 2020-2021

1

## PHYSICAL DISTANCE

- \* 'Keyboard island' for each family in class.
- \*Hybrid classes: each week we will alternate between in-studio / zoom. No more than 3 families at a time. (2 preferred) to maintain proper social distancing.
- \*Zoom exclusively for those who want it.
- \*Families bring own writing/colouring supplies.

2

## CLEAN AND SANITIZE

- \*Products will be available for each 'Keyboard island.'
- \*Parents will assist by cleaning their 'Keyboard island' at the end of class.
- \*Parents will accompany their child to the bathroom and sanitize touched surfaces after use.
- \*Emma will sanitize high touch surfaces.
- \*any garbage you generate please take out with you.

3

## MASKS WORN ENTERING/EXITING

Masks will be required for entering/exiting the studio, and when heading to the washroom. You are welcome to wear it during class as well.

4

## WASH HANDS

All students are asked to wash their hands upon arrival with soap/water or with hand sanitizer. Parents are asked to be aware of any face touching/hands in mouth/nose picking and to guide their child to wash accordingly.

5

## SINGING

We will get creative here and find good ways to learn songs while following current practices/research. We will employ other means to learn songs in class for you to sing at home.

6

## ONLINE LEARNING

Snow days, sick days, vacation days. I intend to record all classes in Zoom, and upload to My Music Staff online resources so you can access them later. If you do not wish to come to class you can use Zoom. Also, hybrid in-class/online learning is being used, so Zoom will be up every week for the foreseeable future.

7

## AGREE/HEALTH AWARE

- \*Sign a waiver recognizing risks involved with group lessons & agree to keep public health protocols, also sign a photo/video release.
- \*if at any point you present with symptoms/have a close contact/have traveled outside the Atlantic bubble, please leave/stay home.
